Property Managers and Developers

Are you planning to do a new housing / industrial development?

**Are you busy doing or have recently done building alterations
which includes electrical work?**

**Are you completely satisfied that the installation
meets with national electrical standards?**

**The WCAEIA is an Approved Inspection Body,
who are referees and not players**

We can assist you to ensure:

** that electrical work done complies with the
Occupational Health and Safety Act 85 / 1993
and most recent Wiring Installation Regulations.*

** the Certificate of Compliance is valid.*

** your clients' electrical installation is compliant .*

** that the "happy letter" received by
your client is indeed a letter of compliance.*

** no "come-backs" later.*

For further information, please contact this office.
